

Mountain View Residents - DON'T BE FOOLED

DON'T SIGN

The Landlord Profit Protection Petition

This is an attack against the Community of Mountain View.

Stand with your Community – Don't be Fooled –*This is a SNEAKY REPEAL* of Renter Protections!

Landlord False Claims

- Landlord signature gatherers will tell you this is to “improve” Measure V Renter Protections, but this will completely **END** protections for over 15,000 Mountain View households.
- You will hear that Measure V is costing you and the City money, when it **FULLY FUNDED** by a \$13 per month per unit fee on landlords.

Measure V Facts

- Mountain View local businesses and schools depend on experienced workers and teachers who can live near where they work.
- Measure V protects over 30,000 Mountain View residents from huge rent increases and displacement.
- Measure V is fully funded by a modest fee on landlords, at **No Cost** to Mountain View Voters or the City of Mountain View.
