and Fair Rent Act***

Dear Ms. Natusch,

My name is _____
and I would like to withdraw my signature from the petition titled “The Mountain View Homeowner, Renter, and Taxpayer Protection Initiative” by its proponents. The City Attorney has titled the petition “An initiative measure to amend certain provisions within the City Charter that regulate rents, establish just cause eviction protections, require relocation assistance, and allow decontrol.”

I am requesting that my signature be withdrawn from the petition pursuant to Elections Code §§ 103, 9602.

My address is _____
_____.

(Signers – please print your name and address as you are registered to vote.
Please provide your signature as on your voter registration.
Please return this form in person or by mail to the City Clerk’s office at the above address)

Optional – only check if applicable:

- I am withdrawing my signature from the initiative petition because I was misled by the signature gatherer as to the content and effect of the referendum (*please only consider this statement if the box is checked*).

Sincerely,

(Signature)
